C O N T E N T S

Volume 4

Number 1, July 1975

Mestranol as an abortifacient in the bitch
W. Jöchle, D.R. Lamond A.C. Andersen 1

The use of progestins in the treatment of persistent uterine hemorrhage in the postpartum bitch and cow: A clinical report
K. Arbeiter 11

Mink semen studies 1. Liquid preservation and prospect of freezing spermatozoa
M. Sharif Ahmad, W.D. Kitts and C.R. Kinshnamurti 15

Influence of induced delayed parturition on fetal survival in pigs
J.E. Nellor, R.W. Daniels, J.A. Hoefer, D.E. Wildt and W.R. Dukelow 23

Abstracts 33

Numbers 2 and 3, August-September 1975

Donald Ross Lamond (1928-1975) 39

Induction of follicular growth and ovulation in prepuberal heifers and ewes with synthetic gonadotropin releasing hormone
T.N. Mellin, W.J. O'Shanny and R.D. Busch 41

Abortion in cows inoculated with *Anaplasma marginale*
David Fowler and Brinton L. Swift 59

Estrous synchronization and fertility in gilts treated with Estradiol-benzoate and prostaglandin F_{2a}
H.D. Guthrie 69

Mink semen studies II. Freeze-preservation of spermatozoa
M. Sharif Ahmad, W.D. Kitts and C.R. Krishnamurti 77

Abstracts 89

Abstracts 89

Number 4, October 1975

Editorial 97

Notices 99

Erratum 100

Induction of ovulation and pregnancy in captive cottontail rabbits by exogenous gonadotropin treatment and artificial insemination
W.F. Murphy, Jr., P.F. Scanlon and R.L. Kirkpatrick..... 101

Effect of prostaglandins on uterine contractions in the estrous ewe
C.E. Rexroad, Jr., and C.R. Barb 111

Microbiologic contamination of bovine semen
J.W. Kendrick, G.P. Harlan, R.B. Bushnell and Nadja Kronlund 125

Abstracts 131

Number 5, November 1975

Notices 139

Follicle counts in the ovary of the Bonnet Monkey (*Macaca radiata*)
A.C. Andersen and A.G. Hendrickx 141

Selective induction of parturition in cattle
G.R. Poncelet and E.L. Moody 145

A comparison of two timed-mating strategies for breeding Pigtail monkeys (*Macaca nemestrina*)
Brian Anderson and J. Erwin 153

Transvaginal recovery of uterine eggs in the cow
J. Testart and C. Godard-Siour 157

Transvaginal transplantation of an extra egg to obtain twinning in cattle
J. Testart, Catherine Godard-Siour and F. du Mesnil du Buisson 163

Abstracts 169

Number 6, December 1975

Notices 175

The effect of microsomal enzyme inducing drugs on reproductive function in the ewe
B.S. Cooper, D.J. Bolt and H.W. Hawk..... 177

Induction of ovulation and fertilization in the 90-day-old ewe lamb
T.P. Goerke and R.H. Dutt 195

Detection of oestrus in the African elephant (*Loxodonta africana*)
P.F. Watson and F. D'Souza 203
